

**AMPHIBIAN SUMMIT 2014**  
**Agenda**  
**August 14, 2014, 10:00 a.m. to 3:30 p.m.**

**Location:** Elkhorn Slough Preserve Conference Room (next to visitor center)  
1700 Elkhorn Road, Watsonville, CA 95076, Directions can be found at  
<http://www.elkhornslough.org/esnerr/map.htm>

*This year's amphibian summit will combine information on the native species that are in decline, recent Central Coast projects to restore and enhance habitats for amphibians, and priorities for pond enhancement within the inner portions of the Central Coast counties of Monterey, San Benito and San Luis Obispo. Each talk will allow time for discussion.*

- |               |  |
